Editing Authentication Method

Once enrolled if you would like to make any changes to your current enrollment, you will still need to go to myapps.rush.edu from outside of Rush's network. However before you choose your authentication method or say continue (if you have a preselected authentication method), please select "My Settings & Devices" on the left side of the screen.

Once confirmed you should see the following screen. IF you would like to change the way you log, you will need to hit the down arrow and select:

- 1. Ask me to choose an authentication method (recommended)
- 2. Auto send this device a Duo Push (Please make sure you have Duo mobile installed)
- 3. Automatically call this device (not recommended)
